

# How To Edit Your Profile

## On the Web

1. Click on your name in the top right-hand corner.
2. Click on [My Account](#).
3. Select the section you would like to edit (for example, basic Information).
4. Click [Edit](#) and then make any necessary edits.
5. Click [Save](#) on the bottom, left-hand side.

## On the App

1. Tap the three lines at the bottom right.
2. Tap your name/[View Profile](#) at the top.
3. Tap [Edit Profile](#)
4. Once you are done editing tap [Save](#) at the top right-hand side.
